“I Need My Teeth”

Live Virtual Assembly Evaluation

In Partnership with the DELTA DENTAL FOUNDATION
An affiliate of Delta Dental of Michigan, Ohio, Indiana, and North Carolina

McMillen Health successfully provided 40 “I Need My Teeth” live virtual assemblies to:

35 schools, including Head Start

4,796 youth ages 3-6

288 parents completed a parent survey

301 Teachers/Adults

This project allowed **5,385** people to receive education on the importance of oral health, brushing two times per day for two minutes each time. Shows were provided as follows:

Teacher Feedback

100% indicated scheduling the assembly was very easy.

91% indicated assembly met or exceeded their expectations.

96% indicated the assembly met or exceeded their students expectations.

94% indicated the educational information presented met or exceeded their expectations.

94% agreed or strongly agreed the assembly was an effective way to educate on oral health.

33% of participating teachers currently provide oral health education in their classrooms.

Parent Survey Feedback

86% of parents knew to Brush their child’s teeth two times per day.

82% of parents knew to Brush their child’s teeth two minutes each time they brush.

71% of parents selected the correct three reasons to brush teeth.

61% of parents indicated their child likes brushing their teeth more now that they received the assembly.

4.1% of parents were able to watch the assembly with their children.

McMillen Health shared the following three videos on a flash drive to each school who received an assembly:

1. [I Need My Teeth](#)
2. [I Wish I Had a Roger](#)
3. [My Teeth Are Back](#)

McMillen Health also created a caregiver handout called "[Tooth Tips](#)".

Success stories include the following parent feedback:

"He is no longer fighting me to brush his teeth! He is telling me as soon as he is done with breakfast in the morning and at night."

- Schlyn Thiry, parent at Stephenson Area Public School, Stephenson, MI

"He now makes me set a timer for 2 minutes to make sure he is brushing the full 2 minutes. I think it's wonderful and informative that this was offered."

- Stephanie Ayers, parent at Toronto Elementary, Toronto, OH

"He talks about brushing his teeth for 2 minutes, and sets the timer on Alexa!"

- Nicole Robinson, parent at Gilbert Elementary, Gwinn, MI

"He has started taking more care of his teeth and humming the ABC's when brushing."

- Carrie French, parent at West Terre Haute Elementary, Terre Haute, IN

Success stories include the following teacher feedback:

I think allowing students to show their reading skills and being part of the assembly was powerful.

- Ann Russell, teacher at Herig Elementary in Michigan

"My class enjoyed the entire program. Some of their favorite moments were: when James got his teeth back, when he learned his lesson, and seeing the tooth fairy. They also liked the songs and singing the song at the end. Thank you so much for the material that you sent to the students (stickers, cards, and the books)."

- Kim Martin, teacher at South Elementary in Ohio

"The children enjoyed the presentation. I love how you reinforced 2 times a day for 2 minutes. They loved the Robot and the songs!"

- Tara Kolb teacher at West Terrace Elementary in Indiana
